

H³Dynamics

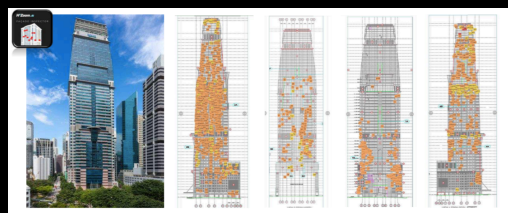

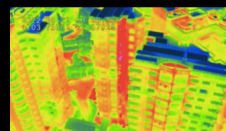

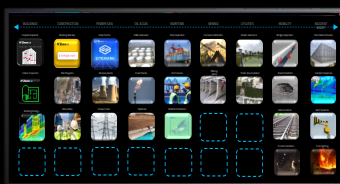

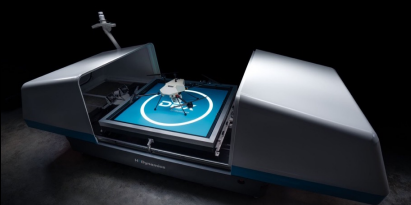

Hydrogen-Electric Technologies for Aviation

On a mission to decarbonize air mobility globally

Singapore
APAC regional HQ

- AI / Digital Services / Automation / Robotics

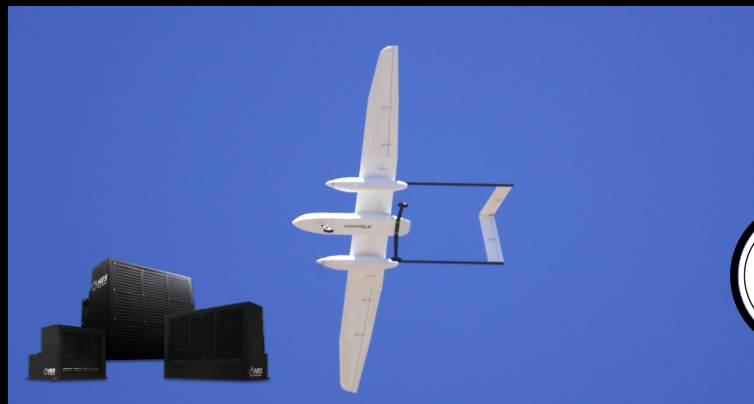

1 Digitization / AAM / Infrastructures Inspection

Scaling operations with digital services & automation

Austin, Texas
Americas regional HQ

- UAV H2 power systems, H2 refueling, H2 UAVs

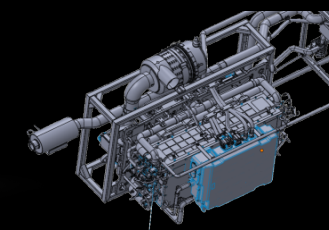

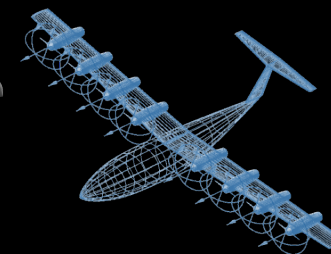

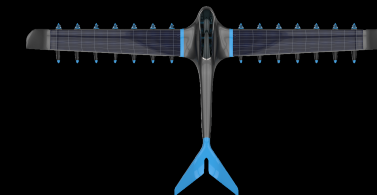

2 Hydrogen Unmanned Aviation

Increasing UAV flight durations

Toulouse, France
EMEA regional HQ

- Aviation, Hydrogen safety & Powertrain

3 Hydrogen Manned Aviation

Enabling carbon-free aviation
